The 950 penalty is a common penalty affecting many websites that are ranked in Google. There are a lot of ideas about why this penalty comes up, but most of it is just speculation. To read about the 950 penalty visit [www.Webmasterworld.com](http://www.Webmasterworld.com).

Most of the speculation exists surrounds how sites become over SEO'd and too much focus is placed on improving website rankings. The item to learn from this is don't overdue it. You don't want your website to standout from the crown in the face of the search engines.

So, do it slow and do it the right way by increasing awareness to your website.
